

A Coruña, Tuesday, 10<sup>th</sup> of March 2009

➤ **REPOIS R QUALITY MARKING:**

**CE**

**TEAIS S.A** ([www.teais.es](http://www.teais.es)) Spanish manufacturer of Building Materials certifies that its product **REPOIS R – One Coat Render** has achieved all the standards according to the norm EN – 998 -1 requested from the European Union for the application of this product in EU countries.

This achievement entitles us to **CE Mark** the mentioned product which makes it suitable for its application in any market within the boundaries of the mentioned countries even if local certificates co-exist.

Local authorities, construction & contracting companies, distributors and consultants are free to contact us to confirm the information expressed in this letter.

*Repois* also holds for the last 10 years the **DIT Certificate** released by:

- Instituto Eduardo Torroja ([www.ietcc.csic.es](http://www.ietcc.csic.es)) – Institute for Construction Science -.

This institution depends on the Ministry of Industry and is a representative at the *EOTA* (European Organization of Technical Assessment); Founding member of *UEATC* (Union Europeenne pour l'Agrement Technique dans la Construction) and is also a member of: *ENBRI* (European Network of Building Research Institutes); *WFTAO* (World Federation of Technical Assessment Organizations) among others.

DIT Certificate has been until the establishment of the CE Marking the highest quality requirement a product like *Repois* could be required to have. This Certificate needs to be renewed every year after been examined by the Instituto Eduardo Torroja.

Experts of this institution check and control quality requirements regarding manufacturing, application and performance of the product. For *Repois* this certificate is still valid until:

**20<sup>th</sup> of July 2011**
